## STAR-SPANGLED BANNER

O! say can you see  
By the dawn's early light  
What so proudly we hailed  
At the twilight's last gleaming  
Whose broad stripes and bright  
stars  
Through the perilous light  
O'er the ramparts we watched  
Were so gallantly streaming  
And the rockets' red glare  
The bombs bursting in air  
Gave proof through the night  
That our flag was still there  
O! say does that star-spangled  
Banner yet wave  
O'er the land of the free  
And the home of the brave

## LUPANG HINIRANG

Bayang magiliw, perlas ng silangan  
Alab ng puso sa dibdib mo'y buhay  
Lupang hinirang, duyan ka ng  
magiting  
Sa manlulupig 'di ka pasisiil  
Sa dagat at bundok, sa simoy at  
Sa langit mong bughaw  
May dilag ang tula at awit  
Sa paglayang minamahal  
Ang kislap ng watawat mo'y  
Tagumpay na nagniningning  
Ang bituin at araw niya  
Kailan pa ma'y di magdidilim  
Lupa ng araw ng luwalhati't pagsinta  
Buhay ay langit sa piling mo  
Aming ligaya na 'pag may mang-aapi  
Ang mamatay nang dahil sa iyo

# ARCHITECT'S CREDO

I shall work with this virtuous commitment: to exercise to the utmost my duty to myself, my country and my God.

I shall uphold the ideals, follow the norms of conduct of a noble profession, and endlessly endeavor to protect and further its just ends.

I shall abide by the laws, rules, legal orders, statutory policies and measures of my country; the Code of Ethical Conduct and the Standards of Professional Practice; and the Articles of Incorporation and By-laws of the United Architects of the Philippines Southern California Chapter.

I shall humbly seek success not through the measure of solicited personal publicity, but by industrious, meaning application to my work, and strive to merit a reputation for quality of service and for equitable dealings.

I shall ask for fair remuneration for my professional services from my Client, and hold his/her interest over and above my own.

I shall disclose, whenever required, any private business investments or ventures that may tend to create a conflict of interest, and ensure that such conflict does neither to compromise the legitimate interest of my Clients nor interfere with my duty to render impartial judgment.

I shall exercise my professional prerogatives always with the highest level of integrity.

I shall inspire, by my behavior, the loyalty of my associates and subordinates, and take upon me the mentorship of the aspirants to the profession.

I shall confine my criticisms and praises within constructive and inspirational limits, and never resort to these means to promote any malicious motives.

I shall dedicate myself to the pursuit of creative endeavor towards the goal of enlightened Art and Science, generously sharing the benefits of my research, experience and expertise.

I shall treasure my being a holder of a valid certificate of registration and a valid professional identification card as registered and licensed architect and of a valid membership card with UAP.

I shall consecrate myself to the highest standard of professionalism, integrity, and competence to the public, to the Client, to the contractor, to the manufacturers, dealers and agents, and to colleagues and subordinates who are the direct and indirect users and beneficiaries of my architectural service.

# A BRIEF HISTORY

## UAP SOUTHERN CALIFORNIA CHAPTER

After the founding of UAPCAL 116 in 2008 (based in Northern California), under the presidency of the late Arch. Eduardo Quezon, a vision to reach out to Filipino Architects based in Southern California became one of the first and foremost goals in their objectives. To realize a separate and independent chapter in Southern California would best meet the needs of our colleagues in the area.

This move would prove to be beneficial for some who reside in the Southland, were holding positions of responsibilities with the Northern California chapter; thus, making them more effective in the service and pursuit of the UAP's mission and aspirations.

From a small group of Filipino architects based all over Southern California, informal gatherings and meetings were held, from one place to another that attracted other Filipino architects, who came and joined in the formal establishment of the UAP-SOCAL Chapter.

After a laborious process of preparing and completing the requirements, the formation of the United Architects of the Philippines Southern California Chapter was formally granted by the United Architects of the Philippines National Board of Directors on April 26, 2011, with its chartering and first ever induction of officers and members on October 16, 2011 at the Almansor Court in Alhambra, California.

The UAP-SOCAL Chapter continues to grow and to reach out to ALL Filipino Architects in Southern California in an attempt to unite them in the spirit of service, fellowship and camaraderie.

# UAPSoCal EARLY DAYS

We spent many hours conducting meetings.

We deliberated on many issues and jostled on major and some minor matters.

Then...we met some more as if it will never end. This is part of the birthing phase of the organization.

After almost 2 years of shuffling our time for family, work, chapter meetings and activities, we wondered if it were worth it all. An overwhelming YES!!!

We felt the crunch time to the chapter's Chartering and Induction Event. Preparations and planning were now on an accelerated pace. The excitement and anticipation grew as the day approached.

We really can tell that the day drew near when we met with NP Ramon Mendoza for dinner at the QQ Buffet in Glendale, CA. NP Mendoza flew in from Manila, Philippines to administer the event. He briefed us about the process of chartering and reminded us of the rites that go with the event.

# CHARTERING & INDUCTION OF MEMBERS AND OFFICERS OCTOBER 2011

We felt as if we were back in the days of being sworn in as registered architects in the Philippines, fresh, ready and full of vigor to delve in the field of our profession.

Charter Members, Coporate Members and Associate Members were sworn in to uphold the ideals and objectives of the chapter.

In the presence of family, loved ones and friends, we stood tall and with hearts proud of our heritage, we embraced the spirit of the organization.

MABUHAY ANG ARKITEKTONG FILIPINO!

# CHARTERING & INDUCTION OF MEMBERS AND OFFICERS OCTOBER 2011

Consul Mary Jo Bernardo Aragon challenged our group of architects to be informed of the current developments in our homeland, the Philippines, and be pro-active in our concerns & involvements here in our adoptive country and across the seas.

UAP National President Ramon Mendoza likewise challenged his fellow architects and countrymen to continue to grow in our profession and fields of involvement, continuing the pursuit of excellence in our endeavors.

Our friends and colleagues from UAPCal116 of Northern California were present to support us. Through trying times of organizing the chapter they were always encouraging and urging us to keep up and move forward. Such were the marks of true friendship and kindhearted spirits.

# CHARTERING & INDUCTION OF MEMBERS AND OFFICERS OCTOBER 2011

We savored the time and the preciousness of the event. This is certainly a memory to keep.

We presented NP Ramon Mendoza with a Certificate of Recognition appreciating his presence and part in our chartering and induction event.

# Moving Forward

Through continuing education programs and seminars, regular and special meetings, we resolved to continue to reach out to anyone of like-minded field and profession, not only with a goal of lending support in the business aspect but on a personal basis also. We did find time to take breaks and socialize with our peers and colleagues.

Now to some of us who are a bit advanced in age, corporate get-aways are always refreshing and uplifting to the spirits. Aided with a more relaxed mind than a previous one constantly creating and imagining new ideas, we pause to simply admire the intricacies of a chambered nautilus or a piece of coral. Or just simply reconnect, encourage and draw strength from one another through sharing of the knowledge and wisdom acquired from this age.

There were times we reminisced on our school days and sleepless nights completing projects which were due as a result of procrastination. If you were one student who wasn't guilty of this, then I would like to bequeath my slide rule for your use.

I am pleased to extend my warmest felicitations to the officers and members of Southern California Chapter of the United Architects of the Philippines as they hold the induction of their officers, signifying the commencement of another year of community service.

May I commend the UAP for successfully projecting the distinct talent, skill and exemplary reputation of the Filipino architect in the highly competitive construction industry in Southern California.

The outstanding performance that our architects have shown in the midst of the rigorous standards governing the creative sector of the American economy, has contributed immensely to the hallmark of the Filipino as a world-class professional.

## Office of the National President

### Message

My dear colleagues in Southern California:

As the Incoming National President for the Fiscal Year 2012-2013, it is my distinct pleasure to convey my warmest felicitations to UAP Southern California Chapter on your Induction and Turnover Ceremonies on September 8, 2012.

One year ago, your chapter was called to rise above expectations and I must say, after several years of firmness and determination you have arrived at the level of enormity and I am proud of your noble efforts.

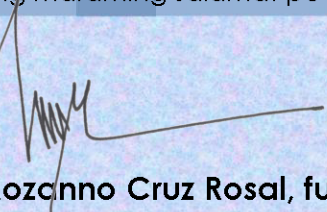

Today, in fitting rites and rituals, you are again called to give assurance for the continuity of those splendid achievements before you. The challenges are indeed formidable however I am certain you can easily achieve them with your courage and dynamism.

In this, I would like to state that your Chapter's Induction of Officers for Fiscal Year 2012-2013 is a momentous occasion at this place and time and as we inherited the great works and achievements of the past Administration, I enjoin you to support the present national leadership in its continuing quest for greatness; let us make the most of the opportunities that abound and face the challenges ahead through our corporate theme: **PROTECT THE PROFESSION + PROMOTE THE PRACTICE + SERVE THE MEMBERS**, working together as empowered individual in bringing the United Architects of the Philippines to the peak of greatness.

To the incoming officers, the torch of leadership is being passed on to you. Along with the position of leadership comes the greater responsibility toward your colleagues and general membership. You have to rekindle their enthusiasm and motivation to further their knowledge and skills on their specific fields and not be contented with the current knowledge they possess.

Aasahan ko po ang inyong tulong para mapagtagumpayan natin ang layuning "ONE UAP".

Maraming maraming salamat po at MABUHAY ANG UAP!

Greetings to the UAP Southern California Incoming Officers & New Members!

On behalf of UAPCal 116, I would like to convey our joy and pride in the knowledge that the chapter we have sponsored and have nurtured since its inception has blossomed into what it is today.

After a year of existence, you have shown resilience under various trials and hardships; you have shown unity overcoming events that put you to the test; and last but not least, your officers and members stayed strong, no matter what the situation is.

These are the traits of a true survivor, the traits that will see you through for many more years.

Congratulations and more power to UAP Southern California! Mabuhay!

Sincerely,

Eris Pedrosa-Rodriguez, UAP  
President, 2012-2013  
United Architects of the Philippines  
California Chapter 116  
State of California, USA

Greetings to my fellow architects, colleagues and friends!

I am honored to have served as president of the UAP Southern California Chapter, Inc. Thank you all for your confidence and trust in my leading and serving alongside of you. We have gone a long way investing time and part of our lives that cannot be replaced but were pledged and sacrificed to make the formation of our chapter a vision fulfilled. This UAP Southern California Chapter is our corporate reward.

At the same time I would like to extend my congratulations to all the newly elected officers and I shall look forward to continue working with our new team. My gratitude also to the out-going officers for their unconditional support to our development during these past two years, which I am sure they will continue to extend to us in the coming year.

Let us work together to not only keep up the high standards that our supporters have set and expected of us, but to make all proud, by raising the standards even higher.

Mabuhay ang Arkitektong Filipino! Mabuhay ang UAP Southern California Chapter!

## MESSAGE

September 8, 2012

Greetings and Mabuhay!

I am elated that the United Architects of the Philippines Southern California Chapter, Inc. (UAPSOCAL) stands strong, dynamic and a united professional organization after being recognized as a duly recognized chapter of the United Architects of the Philippines – The Integrated and Accredited Professional Organization for Architects in this part of the world almost a year ago.

Such healthy but delicate situations exist today were it not for the steadfast determination, dedication and cooperation of the outgoing officers and active participation of the regular members committed to the goals and objectives of UAPSOCAL Chapter as we strive to be the best chapter outside the Philippines and serve as Ambassador of Goodwill in Southern California.

As we approach the advent of the second year term of the organization, I call on all active members to give the enthusiastic support and rally behind the new set of officers as they did with the outgoing officers. We will move UAPSOCAL to new heights by building healthy relationships, strengthening support system and sharing God-given talents and resources among colleagues while in the forefront of global practice and will earmark charitable contributions to benefit the public needing it most.

On behalf of the incoming set of officers, we thank you for putting your trust in this noteworthy undertaking.

**NORBERTO A. SAAVEDRA**  
**DIRECTOR, SUB COMMITTEE – ARBITRATION**

Bert is an architect registered with the Professional Regulation Commission (PRC #6014) in the Philippines. He finished his B.S. Architecture degree in 1978 at the University of Santo Tomas, Manila. While still yet a student, he already was working for Architect Juan Nakpil and Professor Santos Viola. In 1977, he was a member of a group of six students who won the Department of Human Settlement Competition for low cost housing and given an award by Imelda Marcos herself. After graduation, he joined the reputed premier architectural firm of Leandro V. Locsin from 1979 to 1982 where he worked on many prestigious projects the most notable of which is the Istana Baru, the billion dollar royal palace of the Sultan of Brunei. He then moved to Riyadh, Saudi Arabia to work for Damman where he designed and built custom residences, apartments, gas stations and a juice factory. He continued his practice in California where he has been residing since 1988. Besides continuing to design and build custom residential projects, he has expanded his expertise to include retail shops and commercial centers, churches and schools. His passion to render the best service to his clients compelled him to continually further his education and is currently learning the latest computer software, Revit, and is actively pursuing his licensing in construction.

Loren graduated from the University of Santo Tomas B.S. Architecture in 1995 and got his architectural license the following year. He has been working in the field of Architecture and Interior Design for more than sixteen years and has been involved with internationally-based firms in the United States and Australia. His project exposure ranges from commercial, retail, residential, hospitality and institutional projects located in the United States (California, Washington D.C., Phoenix, Detroit); in the Philippines; and in Australia (Sydney, Melbourne, Perth, Canberra). Other projects of which he was involved with are from Hong Kong, Singapore, China, Kuwait and Saudi Arabia. His international exposure has made him experienced and versatile in dealing with different projects of varying standards and construction methodologies both in the local and international scene. It was also thru these various project-types exposure that he developed his design, graphics and CAD management skills. He is currently based in Arcadia, CA together with his wife and daughter.

**EULER R. MANANSALA**  
**DIRECTOR, SPECIAL COMMITTEE LIBRARY AND ARCHIVES**

Euler graduated BS Architecture in 1997 from University of Assumption Pampanga. After graduation, worked with Reformado Architects in Makati City as Architectural Designer before taking Professional Board of Architects examination a year after graduation then later on worked with Budji Layug Architects. From year 2000 -2002 worked overseas with Saudi Oger Ltd as an Architectural Designer, an Engineering and Construction firm specializing from government infrastructure and Royal projects. Then from 2002 to 2006 moved to Dubai, UAE and worked with JRay McDermott International as a Piping Mechanical Designer for Oil & Gas projects. In 2007, he migrated and studied in California USA at Devry University and took Master's Degree in Project Management and graduated the same year. Upon finishing his post degree in Project Management, he was employed by Kevcomp Inc. currently working as a Project/Piping Design Coordinator for some of the Southern California refineries. Currently assigned in BP/Arco Refinery as a Turnaround Coordinator.

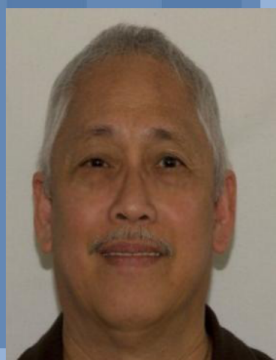

**RAMON R. NADRES**  
**DIRECTOR, MEMBERSHIP**

Mon graduated in 1976 from the University of Santo Tomas College of Architecture. He passed the government board examination the same year and worked as a project architect for five years until he migrated to the U.S. in 1981. He branched out to Interior Design specializing in high end hospitality design. He currently lives in Long Beach with his two daughters, Elyanna and Lizette, and a grandson, Jacob.

**TEOFILO R. COTANGCO**  
**DIRECTOR, SUB-COMMITTEE - SPORTS & RECREATION**

Teo finished his B.S. Architecture degree from the University of Santo Tomas in 1974. His very first job is with Carlos D. Arguelles & Associates working for them even while still a student in 1972. He became a registered architect in 1974 having passed the board exams. He then joined Leandro V. Locsin & Partners where he rose to become an Associate by the time he left for Saudi Arabia to work as a designer. Upon his return to the Philippines, he established T & G Design Group in Marikina and had a successful private practice up to 2000 with projects the most notable of which is the PAF Grandstand and Aerospace Museum in Villamor Air Base. His family migrated to the U.S. where he worked again as a designer for HSU Architects in L.A. in year 2000 and LGS Architects in Irvine, Ca. from 2001 to 2008. Currently, he is a project manager for Eva Care Group in Los Angeles.

**HORACE DE GUZMAN ZABLAN**  
**PUBLIC RELATIONS OFFICER**

Horace graduated in 1973 from the University of Santo Tomas with a Bachelor of Science degree in Architecture. His very first job is as project coordinator for Citation Construction and Development Corporation from 1974 to 1978. After which he worked for Tomas Q. Arguelles and Associates staying with them up to 1979 before joining as one of the staff architects of Leandro V. Locsin and Partners. In 1991, he migrated to the U.S. Upon his arrival, he chose not to be affiliated with any firm and preferred to be independent and be a freelance architectural practitioner.

**GEMILDA M. COTANGCO**  
**COMMISSION ON ELECTIONS**

Yuli finished her B.S. Architecture degree from the University of Santo Tomas in 1974. Her very first job is with Philippine Airlines as one of the technical staff in the architecture department. Then, she worked as an interior designer for Angelita Bondoc & Partners in Makati, Philippines after which she worked in the same capacity for Novales and Partners in Quezon City, Philippines. She then was hired as an Interior Designer for Decorlandia Home Furnishings in Manila, Philippines. She then co-founded together with husband Teofilo, T&G Design Group in Marikina. Upon migrating to the U.S., she worked for Rened Builders in Vallejo, California. Moving to Long Beach, she worked as an Interior Designer for KSM Architecture. She is currently working in Forensic with the Scientific Investigation Division of LAPD in Los Angeles.

**EMERITO D. MAULION**  
**EX-OFFICIO**

Emerito earned his Bachelor of Science in Architecture degree from Far Eastern University, Manila Philippines in 1995. He worked with the firm of Alexander Joseph Y. Chua Design Associates in Quezon City, Philippines as a design staff. He then passed the Architects Licensure Exams in 1999 and issued PRC # 14671 license. After four years with the firm, he decided to start-up his own small practice. While in the Philippines, he was formerly affiliated with UAP-Q.C. Silangan Chapter as a regular member. When he moved to the United States to be with his family, he worked as a senior staff architect at Courtney + Le Architects Inc. in Monrovia, California from 2006-2011, specializing in commercial retail projects. Currently, he works at Architects Orange, in Orange County, California.
